  - Computer: Microsoft Office (Word, Excel, PowerPoint, and Outlook), GitHub, Kali, Wireshark, Burp Site.
- 

## Relevant Experience

Technology Support Assistant, Carleton College, Northfield, MN

Sep 2023 - Present

- Assist 4 to 5 people daily by troubleshooting their technology issues in person, on the phone, or in chat to resolve their specific issues in a timely matter.
- Collaborate with a team to immediately address campus-wide technical difficulties, such as faculty account lock outs or student password resets to ensure consistent online access.

Game Design Intern, SayKid, Remote

Jun 2023 - Aug 2023

- Coordinated with a small team of 4 interns to develop educational and stuffed-robot based games to provide screen-free entertainment for kids and promote healthier screen-use.
- Organized small meetings with my team to discuss our progress and how to distribute the workload remotely to improve productivity.

Sayles Café Student Manager, Carleton College, Northfield, MN

Sep 2022 - Present

- Plan work schedules for 25 students each term in a small team of student managers to generate balanced work shifts.
  - Coordinate meetings with my supervisor regarding issues at work to prevent further problems.
  - Train 4 students each term on how to work within the café to maintain a safe and efficient workspace.
-
